

## Internship in Educational Assessment and Evaluation

### *The Association for the Cooperative Advancement of Science and Education (ACASE)*

---

#### **Who We Are**

ACASE is an independent association of scientists and teachers. Since its founding in the 1990's, ACASE has passed through 3 historic stages, each one emerging organically from its predecessor:

1. The study and promotion of scientific creativity through educational programs
2. The development of alternatives to conventional testing and grading practices
3. The development of information science and technology that directly supports teaching and learning

#### **The Internship**

Interns will work in conjunction with the ACASE team in a collaborative and supportive environment to develop high-level skills in educational assessment and evaluation by working on a variety of challenging projects, such as:

- Designing and managing online workshops and courses
- Working with our online assessment information system
- Exploring, updating, and maintaining ACASE social media (LinkedIn, Twitter, Instagram, Facebook, etc.) and the ACASE websites
- Engaging in educational data analysis/statistical learning/data science/data analysis using R
- Building foundations for educational data science, based on indications given in [Knowing the Learner: a new approach to educational information](#)

#### **Qualifications/Skills:**

- Creative participation in social media
- Comfort with the give and take of feedback
- Utilizing collaboration tools and applications (e.g. Zoom, Basecamp, Google Documents)
- Website skills (e.g. WordPress)
- Artistry in written and verbal communication
- Commitment and passion for addressing critical educational issues

*Preference is given to candidates who have experience in teaching and curriculum development*

#### **Please note:**

ACASE offers competitive pay commensurate with experience, beginning at \$20/hour.

Internships are available for the summer and fall semesters of 2020.

#### **To Apply:**

Please send the following to Paul Zachos, Director of Research and Evaluation, at [paz@acase.org](mailto:paz@acase.org).

- Cover letter outlining relevant interests, expertise, and availability
- CV/Resume
- Names, titles and contact information for three references
